- Business Club on 14th September to be held at the Regal, Kingsbridge, speakers organised, just need to promote fully to all members. NB. Nigel Whitmore has been brought on due to the huge savings he has offered on of our members recently. The cost of his emergency first aid at work course has literally saved hundreds of pounds. With this in mind he'll be offering an additional course in November to be held at Cliff House, full details to be released shortly once the date has been confirmed. The course will be a full day, inclusive of a light lunch for £60 per person to include a Level 2 Emergency at Work First Aid Certificate which is valid for three years.
- Andy McCreadie of Sandler Training will be giving a free talk to Members re our Employment Project, we're just organising dates and venues but it's anticipated to be October.
- Our November meeting is yet to be finalised but all being well will be at Island Street/Salcombe Gin, plus I am not talking with Andy McCreadie to get a special breakfast club finalised for October/November.

- New Members - Start Point Flooring paid in full, Events & Stuff and Green with Envy have debits being collected, South West Foreign Exchange Ltd have also sent in paperwork. I have also been notified this week of a couple of potential members and will advise further at the October meeting

Hi Kathy and Members,

On behalf of Kingsbridge Fair Week I am writing to thank you all for finding and returning the cup which we used for the Queen of Queens during the carnival. Thank you also for sponsoring the Best Walking Group and the Roller Balls.

We really appreciate your support as without people such as yourselves the event would not be the success it is.

Once again many thanks and see you again next year.

Jo Luscombe - Chairman
